

# Car Buying Made Easy

Why go through the hassle of negotiating with a dealer and still question if you got a good deal?

We make car buying easy and provide you with the peace of mind that you got a great deal!

## What will we negotiate?

The purchase price of your new car

The value of your trade-in

Dealer junk fees

## How does it work?

### Option 1

---

- You tell us what vehicle you want.
- We work through our contacts and negotiate to get you an excellent deal.
- We charge a flat \$400 fee.

### Option 2

---

- You go and negotiate your best deal.
- We work through dealers and our contacts to beat your best deal.
- We charge 25% of the difference in savings.
